

MYSTERY TOWERS

- The Soluce -

You begin in the Servant room (1). Just go towards Main hall (6)

[1]

First trip, from Main hall (6) towards the washroom (13) and back to Main hall in order to get the **small key** which will be useful to unlock all the locked North-East doors.

[1] You get a spanner

[5] [4] you get **a small key**

[3] [1] [3]

Second trip, from Main hall (6) towards Medium size cupboard (15) in order to meet the **Elf** and gain his help.

This help will be helpfull later, to cross from Damp cellar (38) to Wine cellar (40)

[5] [5] [4] [4] [3] you get a chopper .

Here, in (15), an elf appears randomly (one in six chance) and asks you : "What seals love ?" You must answer : X

If the elf does not appear, go back to Kitchen and then towards cupboard, as many times as necessary, until he appears. [1],[3], [1],[3], [1],[3]...

[X] This good answer automaticaly transfers you in the kitchen (20)

Transition move from The Kitchen (20) to the Study (10) through the Workshop (14) in order to get the **Ladder** which will be useful later to go up from Gun room (8) to the King's bedroom (28)

[1] [2] you get **a ladder**

[4] You get some cherries

Third trip, from Study (10) towards a Large attic (30) and back to Study, in order to get **Lemon**, mandatory to cross from the Study (10) to the Large cupboard (5). And also to get the **Torch** essential, with the ladder whenever you want to go down.

[2] [2] [1] [6] change of floor, you go up to 28

[1] [1] [4] you get **a lemon**

[1] [6] change of floor, you go up to 32

[2] You get a dagger

[3] you get **a Torch**

[1] [1] [7] change of floor, you go down to 26

[3] [4] [7] change of floor, you go down to 8

[3] [4] You are back to (10)

Now that you have the small Key and the lemon, you go towards the large cupboard (5) , to get the bottle, drink the bottle and go back to Study (10)

[U] [4] (you unlock North-East door)

[4] you get **a bottle**

[W][A](you Drink Bottle) Drinking bottle will prevent you from dying of thirst in 31

[5]

Now, you just have to pick up the Diamond... It is located in the vault (48) situated in tower's basement. But to reach the basement, from the ground floor, you must first go up to first floor then to second floor before going down.

[2] [1] [6] change of floor, you go up to 28

[1] [1] [6] change of floor, you go up to 32

[3] You get a Light key
